

POWERFUL WEAPON-CLEANING TECHNOLOGY

Safer. Better. Easier.

Making green work.

THE VOC-FREE WEAPON-CLEANING SYSTEM

Nothing cleans safer, better and easier than weapon-cleaning systems from Bio-Circle.

Formulated with natural active ingredients, our VOC-free cleaning solutions are safer to use, last longer and are more effective than most conventional solvent-based cleaning systems on the market. Bio-Circle weapon-cleaning systems clean, condition, and protect firearms in a non-hazardous environment for optimum safety, efficiency and performance. Our multi-use lubricants provide advanced corrosion protection and are so versatile they can replace multiple products for attractive cost-savings.

Weapon-cleaning systems from Bio-Circle are the best choice for leading military, law enforcement and correctional agencies seeking an efficient alternative that is fast, safe and easy.

- Long-lasting, multiple-use solution reduces waste
- Non-toxic—no harmful fumes or vapors
- Pleasant scent
- Neutral pH—safer on skin
- Non-flammable
- VOC-free
- Butyl-free
- Biodegradable—safe for the environment
- Perfect for use on all types of weapons
- Field-proven with military and police forces

SAFER.

Bio-Circle is a VOC-free, risk-free, zero-irritation solution that delivers a superior level of firearm safety, cleanliness and convenience.

BETTER.

With its advanced, naturally-derived self-cleaning technology, Bio-Circle is more effective and lasts longer than most conventional solvent-based cleaners.

EASIER.

Boasting a pleasant scent, Bio-Circle is easy to work with and can be used at room temperature, facilitating the cleaning experience.

CLEANING SOLUTIONS

The Bio-Circle weapon-cleaning starter package: super safe, super-cleaning solution for most firearm finishes.

Get a superior clean! Eliminate firearm malfunctions caused by unclean equipment with the Bio-Circle weapon-cleaning system starter package. Package includes our top-selling Bio-Circle L cleaning solution and Bio-Circle MAXI parts washer.

BIO-CIRCLE L[®] SOLUTION

Our VOC-free Bio-Circle L cleaning solution breaks down and lifts away all firing residues including oil, grease, fouling and carbon build-up, leaving firearms functioning at peak performance. Its natural, self-cleaning action uses less product while providing longer-lasting efficacy, an economical advantage over conventional solvent- and water-based cleaners. Safe to use on all wood, metal, plastic and polymer firearm parts.

BIO-CIRCLE[®] MAXI

The parts-cleaning machine that works with Bio-Circle L to clean firearms and weapon components.

Choose the weapon-cleaning start-up package that best meets your needs:

Starter package (drum):

1 drum of Bio-Circle L
(55 gal/208 L)
+ 1 MAXI parts cleaning machine

Order no. 55D600BCLD

Starter package (pails):

6 pails of Bio-Circle L (5.2 gal /20 L)
+ 1 MAXI parts cleaning machine

Order no. 55D600BCLP

OMNI[™]

Cleaner/Lubricant/Protector

Multi-functional maintenance cleaner, lubricant and protector. Exhibits excellent penetrating and lubricating capability and protects surfaces from oxidation.

About Bio-Circle®

Bio-Circle®, a division of Walter Surface Technologies, is an environmentally-conscious chemical company that provides high-performance cleaning, degreasing and lubricating solutions that are also designed to improve worker health and safety.

Our Focus

Maintenance, repair and overhaul (MRO) businesses as well as industrial manufacturing processes.

Product Offering

Bio-remediating and bio-renewable liquids and parts washing systems that replace hazardous solvents and reduce the costs of protecting workers from exposure to toxic chemicals. Bio-Circle offers industrial cleaning and lubricating solutions that create a safer and healthier work environment by using formulas that are non-flammable, biodegradable and VOC-reduced or VOC-free.
