

BIO-CIRCLE

Parts Washing Kits

*SAFER, STRONGER, LONGER-LASTING
SOLUTIONS FOR MANUAL PARTS WASHING*

Bio-Circle provides safer manual parts cleaning solutions that are strong enough to tackle difficult cleaning in any industrial environment.

“Only the best”

WHICH PARTS WASHER IS RIGHT FOR ME?

MAXI

Most versatile system with the load capacity to accommodate heavy industrial parts.

Applications:

- OEM Manufacturing repair shops
- Heavy industrial cleaning associated with mining, oil and gas

Dimensions L x W x H	Max Tank Capacity	Load Capacity
38" x 27" x 43"	37 gallons	500 lbs

STAINLESS STEEL EXTENSION MAXI

A MAXI unit with a stainless extension provides a larger surface and our greatest load capacity for facilities handling very heavy metal parts.

Applications:

- Manufacturers using cranes or lifts to maneuver and clean large parts

Dimensions L x W x H	Max Tank Capacity	Load Capacity
59.8" x 41.2" x 45.5"	37 gallons	1,000 lbs

COMPACT S

A compact unit with an optional dolly for mobile cleaning, perfect for work stations.

Applications:

- MRO (Maintenance, Repair and Operations) shops
- Machine shops

Dimensions L x W x H	Max Tank Capacity	Load Capacity
35" x 24" x 44"	37 gallons	220 lbs

CLEANBOX FLOW MOBILE KIT

The most cost-effective and portable option for cleaning small parts, for use with our CB 100 family of cleaners.

Applications:

- Vehicle repair
- Bicycle repair
- Small maintenance shops

Sink Dimensions L x W x H	Tank Dimensions L x W x H
24" x 18" x 35.75"	23.63" x 15.75" x 11.81"

BIO-REMIEDIATING SOLUTIONS:

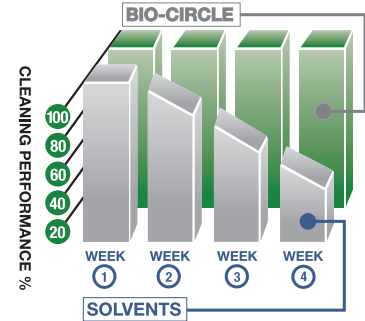

These solutions contain microorganisms that break down oils and greases allowing the solution to maintain high cleaning performance over time.

FEATURES

- VOC free/ no fumes
- Nonflammable
- Microorganisms break down oils delaying fluid saturation

BENEFITS

- Fluid maintains cleaning performance week to week and month to month
- Cost savings from a reduced waste stream
- Improved worker safety & reduced liability

BIO-CIRCLE ULTRA

Heavy duty renewing cleaner for steel and stainless steel parts

Applications

- Vehicle & fleet maintenance
- Industrial maintenance

BIO-CIRCLE L

Standard renewing solution for carbon light oils and greases

Applications

- Weapons cleaning
- Facilities maintenance shops

BIO-CIRCLE AERO

Renewing cleaner designed to meet tough aerospace standards, for cleaning aluminum & nonferrous alloys

Applications

- Aluminum & brass cleaning
- Aerospace manufacturers
- Airport maintenance shops

Part Number	Kit Description
BCK350RCU	Bio-Circle COMPACT S Industrial Parts Washer with Bio-Circle ULTRA FLUID (6 X 5.3 GALLONS) & CARE SERVICE
BCK350RCUD	Bio-Circle COMPACT S Industrial Parts Washer with Bio-Circle ULTRA FLUID (55 GALLON DRUM) & CARE SERVICE
BCK600RCU	Bio-Circle MAXI Industrial Parts Washer with Bio-Circle ULTRA FLUID (6 X 5.3 GALLONS) & CARE SERVICE
BCK600RCUD	Bio-Circle MAXI Industrial Parts Washer with Bio-Circle ULTRA FLUID (55 GALLON DRUM) & CARE SERVICE
BCKXLSSU	Bio-Circle MAXI XL SS Industrial Parts Washer with Bio-Circle ULTRA FLUID (6 X 5.3 GALLONS) & CARE SERVICE
BCKXLSSUD	Bio-Circle MAXI XL SS Industrial Parts Washer with Bio-Circle ULTRA FLUID (55 GALLON DRUM) & CARE SERVICE

Part Number	Kit Description
BCK350RCL	Bio-Circle COMPACT S Industrial Parts Washer with Bio-Circle L FLUID (6 X 5.3 GALLONS) & CARE SERVICE
BCK350RCLD	Bio-Circle COMPACT S Industrial Parts Washer with Bio-Circle L FLUID (55 GALLON DRUM) & CARE SERVICE
BCK600RCL	Bio-Circle MAXI Industrial Parts Washer with Bio-Circle L FLUID (6 X 5.3 GALLONS) & CARE SERVICE
BCK600RCLD	Bio-Circle MAXI Industrial Parts Washer with Bio-Circle L FLUID (55 GALLON DRUM) & CARE SERVICE
BCKXLSSL	Bio-Circle MAXI XL SS Industrial Parts Washer with Bio-Circle L FLUID (6 X 5.3 GALLONS) & CARE SERVICE
BCKXLSSLD	Bio-Circle MAXI XL SS Industrial Parts Washer with Bio-Circle L FLUID (55 GALLON DRUM) & CARE SERVICE

Part Number	Kit Description
BCK350RCA	Bio-Circle COMPACT S Industrial Parts Washer with Bio-Circle AERO FLUID (6 X 5.3 GALLONS) & CARE SERVICE
BCK350RCAD	Bio-Circle COMPACT S Industrial Parts Washer with Bio-Circle AERO FLUID (55 GALLON DRUM) & CARE SERVICE
BCK600RCA	Bio-Circle MAXI Industrial Parts Washer with Bio-Circle AERO FLUID (6 X 5.3 GALLONS) & CARE SERVICE
BCK600RCAD	Bio-Circle MAXI Industrial Parts Washer with Bio-Circle AERO FLUID (55 GALLON DRUM) & CARE SERVICE
BCKXLSSA	Bio-Circle MAXI XL SS Industrial Parts Washer with Bio-Circle AERO FLUID (6 X 5.3 GALLONS) & CARE SERVICE
BCKXLSSAD	Bio-Circle MAXI XL SS Industrial Parts Washer with Bio-Circle AERO FLUID (55 GALLON DRUM) & CARE SERVICE

THE CB 100 FAMILY:

CB 100 and CB 100 ALU are powerful green solutions. They are safer, VOC-free products that aggressively remove even the toughest oil and grease. CB 100 and CB 100 ALU can help you save time while creating a safer and healthier work environment.

FEATURES

- Removes contaminants that water-based products cannot clean, such as ink & rubber
- Neutral-range pH
- VOC, solvent and butyl free
- Effective at low temperatures or without heat
- Non-flammable
- Skimmable

BENEFITS

- Better performance
 - Stronger than most water-based cleaners
 - Cleans 3-5xs longer than solvent-based
- Improved safety
 - Replace caustic chemicals or solvents
 - Strong cleaning performance at room temperature

CB 100

Heavy-duty cleaner for steel and stainless steel parts that removes ink, adhesive, rubber marks, heavy grease and other tough contaminants

Applications

- Machine shops
- Vehicle/fleet maintenance

Part Number	Kit Description
BCK350CB	Bio-Circle COMPACT S Industrial Parts Washer with Bio-Circle CB 100 HEAVY DUTY FLUID (6 X 5.3 GALLONS) & CARE SERVICE
BCK350CBD	Bio-Circle COMPACT S Industrial Parts Washer with Bio-Circle CB 100 HEAVY DUTY FLUID (55 GALLON DRUM) & CARE SERVICE
BCK600CB	Bio-Circle MAXI Industrial Parts Washer Bio-Circle CB 100 HEAVY DUTY FLUID (6 X 5.3 GALLONS) & CARE SERVICE
BCK600CBD	Bio-Circle MAXI Industrial Parts Washer Bio-Circle CB 100 HEAVY DUTY FLUID (55 GALLON DRUM) & CARE SERVICE
55D020MK	Bio-Circle CLEANBOX FLOW, CLEANBOX FLOW MOBILE CART & CB 100 HEAVY DUTY FLUID (1 X 5.3 GALLONS)

CB 100 ALU

Designed to clean tough contaminants from aluminum and nonferrous alloys

Applications

- Machine shops cutting aluminum or brass parts
