

FT 200

Quick evaporating surface cleaner

FT 200 is a fast drying surface cleaner formulated for preparing and degreasing metallic surfaces prior to applying conventional or water-based coatings. FT 200 removes contaminants such as processing oils, anti-corrosion oils, light waxes, and similar contaminants which can have a detrimental effect on coating adhesion properties.

Features & Benefits:

- Quick drying water-based cleaner
- For cleaning and degreasing prior to painting and coating
- Ideal for manual cleaning, ready-to-use
- Removes processing oils, light waxes and other contaminants that affect paint adhesion
- Quick evaporating action to ensure a residue free surface once the product contaminants are wiped away
- Provides temporary corrosion protection
- Water-based, High flashpoint
- Biodegradable, VOC reduced and phosphate-free
- NSF registered (category A1, registration number 142612)
- FT 200 is accepted for use in food plants in Canada

Description	Size		Order No.	MSDS
	Metric	Imperial		
Sprayer	500ml	16.9 oz.	53-G 173	L-128E
Liquid	20L	5.2 gal.	53-G 177	L-128E
Liquid	208L	55 gal.	53-G 178	L-128E

ACCESSORIES

Spout for 20L pail	53-L 207
Replacements trigger sprayer	53-L 322

Technical information

Density	1.00 g/ml
Flashpoint	40°C (104°F)
Odor/color	Mild, transparent
pH	<12
Rinsability	Excellent
VOC	72 g/L
