

NEW

2ⁱⁿ1 FINISHING DISC

2ⁱⁿ1 is the latest generation of flap disc from WALTER that is guaranteed to revolutionize metal finishing.

ONE -STEP FINISHING

2ⁱⁿ1 flap discs will remove tig welds and finish the surface in just one-step, substantially reducing your finishing costs. Changing from a sanding disc to a non-woven disc will be a thing of the past for weld blending and surface finishing.

LONG LASTING

Developed to blend light tig welds, breaking edges, blending and removing surface imperfections, oxidation, discoloration, etc. One 2ⁱⁿ1 disc will do the job of over 20 traditional discs while providing a smooth and consistent surface finish.

SANDING FLAPS

- Special coating ensures cool operation
- Resist loading

BLENDEx™ NON-WOVEN FLAPS

- Allow operators to achieve food grade finish
- Non-woven material will not smear
- Tear resistant for longest life

AFTER

BEFORE
