

High performance sanding!

NEW

X-TRACUT™

NON WOVEN SANDING DISCS

These revolutionary sanding discs are guaranteed to **cut cooler, faster and last much longer** than conventional sanding discs.

WITHSTAND TOUGHEST APPLICATIONS

X-traCut discs have **superior non-loading** properties that make them the top choice for sanding soft metals such as aluminum or even painted or rusted surfaces.

FINISH

While **aggressive and fast cutting**, the X-traCut discs render a finish that only non-woven materials can provide.
