

Air Force® PL

INDUSTRIAL STRENGTH CLEANER & DEGREASER

AF-PL offers the best of both worlds:

- convenience of aerosol cans
- cost-savings by ordering liquid in bulk

Save money on aerosol disposal costs without sacrificing the convenience of using aerosol cans with the AF-PL.

**QUICKLY DISSOLVES AND REMOVES
GREASE, OIL & GRIME**
Cost-Effective replacement for Brake Cleaner

AF-PL Refillable Sprayer

Durable and light weight aluminum AF-PL sprayer comes with a specific label to clearly identify the contents and ensure full safety compliance.

Fill capacity: 13.5 oz / 400 ml
Operating pressure: 90 - 125 psi

VIDEO DEMO

AF-PL FEATURES:

- › Residue-free
- › Free of chlorinated solvents
- › Penetrates and displaces moisture
- › Safe for use on plastic and rubber-like compounds

The Air Force® PL Auto-Filling Station

The Air Force PL station is safe, convenient, effective and very easy to use. Only requires compressed air to operate. Simply place the AF-PL sprayer onto the filling station and it will fill up automatically with the proper amount of AF-PL and compressed air.

BENEFITS:

- › The safety & cost-effectiveness of large format containers
- › Convenience & strength of aerosols
- › Eliminates the need for costly disposal of hazardous aerosol cans
