

SURFOX-N™

Cleaning and Neutralizing Formula

SURFOX-N is an innovative water based product for cleaning and neutralizing Surfox electrolyte solutions. SURFOX-N neutralizes acidic solutions such as SURFOX-T and SURFOX RENEW, as well as cleans SURFOX-G solution. It is effective on all type of materials including aluminum, stainless steel, and titanium.

Features & benefits:

- Ready-to-use, just spray it on and wipe it off
- Neutralizes acidic solutions
- Cleans the surface before and after treatment
- Prevents the formation of salt deposits (hazy white discoloration) around welds cleaned with SURFOX
- Easy and quick to use, works on both reflective and matte surfaces
- Water-based and label free
- VOC free and non-flammable
- SCAQMD compliant
- **NSF registered under category code A1, registration No. 142985**
